Close up of sign
(stenciled)

DO NOT ENTER IF
RED LIGHT IS ON

The image shows a close-up of a rectangular, light-colored sign mounted on a wall made of large, irregular stone tiles. Above the sign, a blue cable runs horizontally across the wall, ending in a circular blue base with a glowing red light. The sign has the text "DO NOT ENTER IF RED LIGHT IS ON" stenciled in a bold, sans-serif font. Below the sign, the top of a dark blue door is visible.
